***Keep in mind when putting square cloths on a round table, the points will drop down farther than the drops listed. Also if using round cloths on a square table, the corners will be shorter.**

TABLE SKIRTING

How much skirting you need per table depends on the configuration of your tables, and if you are skirting all the way around the table or just three sides. Keep in mind our skirting is available in 13' and 8' sections. The following chart may help give you an idea of how much skirting you will need.
