GENERATOR GROUNDING WAIVER

GENERAL INFORMATION:

Thank you for choosing Canton Chair Rental to provide a generator for your upcoming event. Canton Chair Rental is committed to the safety of our customers, your guests, your property and our employees.

In order for generators to function safely, they must be properly grounded with a copper rod. With the increase in utilities being buried underground, the risk for personal injury and property damage becomes a concern with generator installations. Ohio Law (3781.25-32 of the Ohio Revised Code) requires that anyone penetrating the surface of the earth must have the utilities marked on their property before they "dig." Since Canton Chair Rental will be inserting a copper rod 6' to 8' in the earth to ground the generator we will contact the Ohio Utilities Protection Service to mark any public underground utilities in the area where the generator will be installed.

Please provide the following information about your upcoming generator rental:

Where generator will be installed: County _____ City _____ Township _____

Address of generator installation: _____

Where on your property will the generator be installed (i.e. driveway, back yard, other specifics...) _____

Property map provided by Canton Chair Rental has been marked with generator location and returned to Canton Chair Rental:

Yes No

CANTON CHAIR RENTAL RESPONSIBLE FOR:

MARKING PUBLIC UNDERGROUND UTILITIES REGULATED BY OUPS:

For your safety and the safety of your guests, your property and our employees, Canton Chair Rental will contact the Ohio Utilities Protection Service (OUPS) to schedule the marking of public utilities on your property.

MARKING OIL AND GAS PRODUCERS UNDERGROUND UTILITIES REGULATED BY OGPUPS:

For your safety and the safety of your guests, your property and our employees, Canton Chair Rental will contact the Ohio Oil and Gas Producers Underground Protection Service (OGPUPS) to schedule the marking of oil and gas producer's lines on your property.

Please be aware that once these calls have been made, someone will be on your property, typically from 3 to 5 days prior to the generator installation date, to mark the utilities.

CUSTOMER RESPONSIBLE FOR THE FOLLOWING WITH REGARD TO THIRD PARTY MARKING OF UNDERGROUND UTILITIES:

- Make sure that any pets are restrained while utility marking personnel are on your property
- Make fenced areas available to the utility marking personnel
- **DO NOT mow over, move or remove utility paint or flag markings** until after tent has been installed! By Ohio law, Canton Chair Rental cannot install a tent if the utility markings are not clearly visible.

4850 Southway St. S.W.
Canton, Ohio 44706
330-477-7719 1-800-686-4331
Fax: 330-477-2905

CUSTOMER RESPONSIBLE FOR MARKING PRIVATE UTILITIES:

You, the customer, are responsible for making sure any **privately installed** underground utilities are properly marked, *including but not limited to, sprinkler systems, electrical lighting wires, gas lines (i.e. propane,) artesian wells, underground structures, septic systems, down spouts, leech beds, phone lines, cable lines, pool equipment, invisible fencing, etc.* **Failure to have private utilities marked may result in a delay in the installation, and therefore result in additional charges.** Canton Chair Rental is not responsible for damage and/or injuries related to any unmarked private utilities.

Do you have any private underground utilities or other underground objects in the area where the generator will be installed?

Yes No

If yes, please list known **private underground utilities** on the property, like the ones listed above, in the area where the generator will be installed that you will personally mark prior to installation:
