

New Equipment for Spring 2006

Marbled Glass Servers

Oversize bowls spun in beautiful marbled glass will make an impressive presentation on your buffet table. The platter style bowls are available in three inch and four inch depths. Designed to compliment these elegant serving vessels are new spiral wrought iron stands that will add height and drama to your table.

Ceramic Serving Bowls

New heavy white ceramic serving bowls in shell, round, square and triangle shapes look handsome clustered together or used individually. The available spiral wrought iron stand used with the round bowl provides a handsome tiered effect for the table.

Fill 'n Chill Table

Just in time for the summer entertaining season is Canton Chair Rental's new Fill 'n Chill Party Table. The 73" by 31" table holds 75 to 100 pounds of ice and will keep food and beverages colder, longer. Easily transportable in a SUV or minivan it is perfect for picnics, graduation parties, meetings – anyplace where large quantities of food and drink need to be kept cold. Ideal for serving iced hors d'oeuvres, shell fish buffets, salads and desserts. The white skirted table does not sweat so it can be used indoors or out. It easily accommodates more than 8 cases of beverages, and when used with the available deep extension bins, both tall beverages and food containers can be chilled together on the table. It is equipped with a convenient drain system and also serves as a clever way to display ice sculptures.

Bussing and Transport Cart

Canton Chair Rental's new Bussing and Transport Cart is both smart and functional. The style is as much at home in front of house applications as it is a workhorse behind the scenes. The tough, durable cart has a 300 pound capacity and features sturdy textured shelves for better grip and heavy non-marking swivel casters. The detachable side trash container and silver-ware bin are ideal when used for after party cleanup.

Battery Operated Votives

The finishing touch for a beautiful table is Canton Chair Rental's new battery operated votive lights. As more and more party venues no longer permit open flame in their buildings and as most municipalities will not permit open flame under party tents, these elegant frosted votives are an attractive alternative to the standard wax candle. The lifelike flickering flame is the perfect solution for adding an enchanting ambience to any event.

Stretch Covers

New stretch fabric covers give Canton Chair Rental's standing cocktail tables a sleek contemporary appearance. Especially attractive when clustered in groupings, the covered tables offer a convenient space for guests to gather when standing at parties and receptions or when used with Canton Chair Rental's handsome bar stools.

Let the Party Season Begin!

Children's birthdays, graduation parties, family reunions and more are on the horizon as the warm weather months approach. If you are among the lucky ones planning a summer fete – a call to Canton Chair Rental should be the first step on your planning agenda!

If You Are Planning a Child's Party...

Your first job is to make the birthday child feel special. The second goal is to ensure that everyone has a good time at the party. The children will long remember whether they had fun – not whether your house was spotless.

Canton Chair Rental has a multitude of items that will make a child's party special. There are tables and chairs sized just for children, balloons and helium, lawn games, popcorn, sno-cone and cotton candy machines and the ultimate child pleaser – the inflatable bounce castle!

So maybe you can't have a pony at the party, but you or a friend can make an appearance as a fairy princess or a super hero in an outfit from Scott Costume. Scott's has many famous cartoon and fantasy character costumes in adult sizes that will add an extra special touch to a child's themed party.

To Honor the Graduate...

The long anticipated graduation arrives, it's time to celebrate and mark the occasion with a party to honor your graduate for a job well done. There's one small problem though - your house cannot accommodate all of the family and friends you want to invite. It's Canton Chair Rental to the rescue! They can convert a garage or unfinished basement into a party room with attractive draping in a wide range of colors. And with a whole variety of graduation packages they can provide a tent or canopy along with the tables and chairs to accommodate any size party. You will see on the inserted green flyer the large variety of Graduation Packages available from Canton Chair Rental this year. Also, on page four of this newsletter, read about the newest thing for entertaining – the exciting Quebbie™ music system.

Canton Chair Rental's new luxuriously sized oval platter in brightly polished stainless measures 26" by 18" and will make an impressive presentation on the buffet table. Versatile enough to be used for appetizers, entrees, desserts or any item being served in large quantities.

New Linens

- Elegant organza 80" by 80" table overlays with a delicate embroidered vine pattern and satin binding. Available in white on white or pastel green on white, these impressive linens will transform an ordinary table into something magical.

- New 120" round table linens in sumptuous bengaline fabric. These ultra plus linens are available in sage green and warm pecan shades. Both colors look especially elegant when used with Canton Chair Rental's silver and gold chargers and chavari chairs.

55 Cup Hot Water Heater

New large capacity polished aluminum 55 cup Hot Water Server is attractive enough for the buffet table and coordinates beautifully with Canton Chair Rental's 55 cup coffee makers.

Dessert Pizza

For children, the graduate or any summer party – this novel dessert will be a tantalizing addition to the buffet table.

- 1 Roll refrigerated sugar cookie dough
- 1 8 oz. package cream cheese, softened
- 1 T. milk (approximately)
- 1 teas. vanilla
- A mixture of fresh and canned fruit such as: strawberries, pineapple bananas, kiwi fruit, cherries, peaches, apricots, blueberries
- 1 cup pineapple juice
- 2 T. cornstarch

Roll out sugar cookie dough into a large circle. Bake at 350° for 12 - 14 minutes or until golden brown. Let cool. Beat cream cheese with vanilla and enough milk to make cream cheese spreadable. Spread on cooled cookie dough, leaving a "crust" border around the edge. Arrange fruit decoratively on top of cream cheese layer.

Mix pineapple juice with cornstarch and heat over medium flame stirring until mixture is thickened and clear. Glaze the fruit with the juice mixture. Chill and serve.

There's a New "DJ" in Town!

Canton Chair Rental introduces the Quebbie™ Music System. Nicknamed the "DJ in a Box", the Quebbie™ is a fully programmable, integrated music system that allows you to choose the music for your event. It provides digitally encrypted clear, crisp CD quality stereo sound. With over 6000 songs to choose from in a wide range of categories, it is perfect for weddings, cocktail and dinner parties, corporate events and outdoor events such as festivals and block parties.

In the system's wedding album alone there are 500 selections to choose from that include categories for the ceremony, cocktail and dinner hour, bride & groom's first dance, the father/daughter dance and the cake cutting. There are choices for fast and slow dances, novelty and traditional dances and more.

The unit is completely portable and incorporates the latest touch screen technology. You can program the music for an entire event as well as play instant requests on demand. It allows you to create custom play lists and the selections automatically cross fade for continuous music play. The user has complete control and flexibility of the music played.

The Quebbie™ will be arriving in the Canton Chair Rental showroom in the month of April. Call or stop in for a demonstration and learn more about this unique new concept in music.
