CANTON CHAIR RENTAL HOME EDITION

You're Invited...

The holiday catalogs have been arriving in the mail for a month now and the stores are already getting decked out in red and green. Before you know it friends and family will be arriving at your door to celebrate the holidays. There is no need to feel overwhelmed if you have to entertain this holiday season, it can actually be fun – if you plan early and let Canton Chair Rental be your planning partner. Success starts by talking to one of our experienced event planners. They can offer you a wealth of ideas that can make your holiday entertaining spectacular!

Some helpful entertaining tips to consider when planning your holiday get together:

- If you're hosting a holiday gathering this season, we can provide the additional tables and chairs needed to accommodate your guests. We have available a variety of sizes of banquet or round tables as well as a large selection of chairs. Consider setting up a buffet table in another part of the house to help with space. Move the furniture against the walls in the family room or rec room and set the buffet in the center of the area so guests can move comfortably around all sides.
- Table toppers and napkins in holiday colors are sure to make your event festive. We have linen table covers in a variety of sizes and colors. Also, if you let us know the size of your dining room table, we may have a holiday cover that will top your table. The linens will arrive clean and pressed. Once your event is over, all you will need to do is shake the linens free of food and return them in the linen bag provided.
- A beautiful table creates lasting memories of your dinner. But if you don't want to risk using your family heirloom china and stemware – or if you just don't have enough matching place settings – renting is the way to go. Fine china, glassware and flatware can all be delivered to your door clean and ready to use. When the party is over all you have to do is rinse them free of food, put them back in the racks and Canton Chair Rental will do the rest.
- If you are serving a large group and need to keep your food warm, our electric roasters and chafers warmed with sterno fuel are sure to help. A separate coffee station is also practical for traffic flow and provides an opportunity for guests to mingle. Brewing your coffee in a large coffee maker in advance will free up more of your time during the party.
- Few things slow a party down faster than awkward silence. Music can play an important role in your event. It lightens spirits and adds to the festive ambience. The Quebbie "DJ in a Box" has the perfect music for your celebration. For the Christmas season, choose from a large selection of music. You just program the music you want and forget it – the Quebbie will do the rest.

GHOSTS, GOBLINS... AND GROWNUPS!

The official start of the holiday season may not be until Thanksgiving, but before you know it, spooky creatures big and small will descend on a neighborhood near you. Originally just a one night event for children to go trick-or-treating, Halloween has become the most popular party occasion for adults, right after New Year's Eve. Halloween is a fun time at Canton Chair Rental and the staff is full of ideas that can make your entertaining special:

☞ In contrast to all the frivolity that takes place at children's parties, host a sophisticated dinner party for your adult friends. Ask everyone to come in costume, cover your tables with vibrant linens and tableware and create a special menu themed just for the event.

☞ You think you don't have the room you need to host a party – no problem. Autumn is the perfect time to stage a moonlight party outdoors in a tent. Decorate with corn stalks, pumpkins and potted mums and incorporate dramatic lighting. Canton Chair Rental can provide interior lighting with dimmers along with up-lighting, accent lights, and more to create just the atmosphere you want.

☞ Go in Costume! The most successful Halloween parties are costumed affairs, and Scott Costume, a division of Canton Chair Rental, has the area's largest collection of rental costumes to choose from. This year at Scott's historical figures, action heroes and disco and hippie outfits from the 60's and 70's are in high demand. Novelty wigs and hats are also extremely popular this time of year at Scott's as are fashion accessories and theatrical makeup.

Save the Date!

There is no better way to usher in the holiday season than attending the two great shows that will be taking place at the Canton Memorial Civic Center and the Cultural Center for the Arts in November. The Repository will be hosting the Holiday Home and Entertaining Show in the McKinley Room and Canton Fine Arts Associates, Inc. will be hosting the Christkindl Markt at the Cultural Center for the Arts.

The events will take place on Friday, November 14th from 10am to 8pm and on Saturday, November 15th from 10am to 6pm. Christkindl Markt will also be held on Sunday, November 16th from 11am to 4pm.

The Holiday Home and Entertaining Show will feature programs focused on the holidays complete with food and baking demonstrations. There will be craft and decorating instruction, a Charitable Tree Festival and a silent auction benefiting local non-profit organizations. Selected vendors, including Canton Chair Rental, will be on hand displaying the goods and services they can provide to make your holidays more memorable.

The Christkindl Markt is a premier fine arts and fine crafts show with over 100 juried exhibitors from around the country participating. The event will feature entertainment, a raffle, silent auction, basket raffle, coffee house and Christkindl Café.

What a great opportunity to visit two of the area's best holiday shows the same weekend.

In the Linen Department

Two new napkin colors – terra cotta and olive green – are now part of the Canton Chair Rental Table Linen Collection. The new olive green shade has become an important color accent for dinner parties and weddings. An elegant presentation on ivory and beige table cloths and for spring tables it's festive on pink and maize linens. For a dramatic table scheme the olive napkins are striking with purple, plum and chocolate brown cloths.

Just in time for autumn entertaining the new terra cotta napkins will add a vibrant accent to any number of table top colors. From subtle neutrals to bold

deep tones to rich patterned cloths – terra cotta stands out and makes a statement wherever it's used.

The table top color combinations are endless with these two new shades. Stop by the Canton Chair Rental showroom to see all of the linen colors, patterns and textures available and how you can use them to spice up the tables at your next event.

Some Helpful Holiday Hints

How much is enough? It's a question every party planner ponders. Here are some general guidelines you may want to consider:

- When serving meat, fish or poultry plan 5 to 6 ounces per person. If the cuts have bones in them, consider adding more weight per serving.
- For pasta dishes at a sit down dinner, a pound of pasta will serve 4 to 6 people. If serving pasta at a buffet, a pound will serve 8-10 people.
- When serving premixed salad blends estimate one handful per person. One head of lettuce will feed approximately 5 people. Four medium heads will serve 15-20 people.
- Estimate 8 to 10 appetizers total per person. Make 3-4 of each item per person, keeping in mind that everyone may not take all of the items.
- To determine drink quantities, plan on two drinks per guest in the first hour and one drink per guest each hour thereafter.
- You will need 3 bottles of mix for every bottle of spirits. Always have some non-alcoholic beverages available, including bottled water.
- Allow at least one pound of ice per person and plan on 4 to 5 drinking glasses per person along with plenty of extra napkins.
