CANTON CHAIR RENTAL SPECIAL EVENT INDUSTRY NEWS

Bridal Show Dazzles

On January 27th the Great Court of the Canton Cultural Center for the Arts served as the backdrop for the fourteenth annual WHBC Mix 94.1 Forever Elegant Bridal Gala. Over 600 attendees braved the cold January winds to review the beautiful array of goods and services offered by the large contingent of vendors participating in the show.

As in past years, Canton Chair Rental served as the lead sponsor for the festivity supplying a multitude of items including the elegant white draping and skirting for the booths and display tables. Two decorated tents were erected in the Great Court, and for the bridal fashion show in the Cable Recital Hall Canton Chair Rental created a stunning backdrop of grey draping with silver lame accents and dramatic up lighting.

WHBC show coordinator, Stephanie Jackson, had high praise for the staff of Canton Chair Rental. "Your team is awesome" she proclaimed. "Everyone... everyone is so kind and helpful. Never is there a stressful moment in making all this happen. I love the creativity that was used for the staging... it looked fantastic! Canton Chair Rental is the best and I sure do appreciate everything AND everyone there."

All About Tents

There is something exciting about an event in a tent – something that draws admiration from guests and awe from everyone passing by. For corporations they can provide dramatic space for sales promotions, product launches, receptions and employee picnics. For home parties they have become the venue of choice for graduations, weddings and family reunions.

Canton Chair Rental has been providing corporate and residential customers the highest quality tents and service for over twenty years. If you are considering renting a tent for an upcoming event, here are some important guidelines you will want to know.

✓ **Plan well enough ahead.** Before a tent can be set up there are a number of tasks that need to be completed – and advance planning is required prior to set up.

✓ **Map out utilities.** If the tent is going to be erected on grass, underground utilities will need to be marked before the setup can begin. One easy phone call to the Ohio Utilities Protection Service will get the underground utilities marked. The staff at Canton Chair Rental is trained to help with this very simple process.

✓ **Fire Inspections.** Certain communities require a tent permit and an inspection by the local fire authorities for tents on public property. Canton Chair Rental will file for the permit if required and will also provide the appropriate number of fire extinguishers needed for the tent. Keep in mind there may be a fee to file for the permit, which varies based on the location. Also, all Canton Chair Rental tents are fire retardant.

Once you have determined you would like to have a tent event and have contracted with Canton Chair Rental, they will guide you through the process from start to finish.

✓ **For Major Events: site inspection and CAD drawings may be needed.** When renting larger tents, a representative from Canton Chair Rental will often make a site inspection. They will measure and map out the event area, inspect the levelness and condition of the ground surface, and inspect for low growing tree branches and low hanging utility wires. Canton Chair Rental can also prepare a CAD drawing of the event. Items such as tables and chairs, food service tables, stages, dance floors, DJ and band areas can all be incorporated in the CAD drawing of your tent.

✓ **Tent Accessories.** There are a number of practical and decorative items you will want to consider when ordering your tent. Chandeliers and globe lights, tent sides, tent liners, pole covers, fans, heaters, fencing and more are available to make your tented event even more appealing and comfortable.

Canton Chair Rental offers a variety of tent sizes and styles to accommodate every type of event. Their experienced event consultants can guide you through all of the steps necessary for selecting the right size and style tent for your event.
