SPRING 2008

Tradition and Pageantry at MT. UNION

On May 11th the familiar strains of pomp and circumstance rang out on the beautiful campus of Mt. Union College as 460 graduating seniors marched across the stage to receive their diplomas. The occasion marked the 162nd commencement ceremony for

the college, and like every event at Mt. Union the ceremony was conducted with precision and dignity. Two locations were prepared for the event. The outdoor location was set on the grounds outside of Chapman Hall and in case of inclement weather the Timken Physical Education Building was readied for the occasion.

Diana Snyder, Secretary of the Mt. Union physical plant, is responsible for the multitude of events that take place on the campus each year. As in past years, Diana turned to Canton Chair Rental to supply the thousands of chairs, the tents and linens the school required for the events taking place during graduation week.

Ms. Snyder says "Canton Chair Rental is wonderful! Everybody is so great to work with and so professional." She knows when she needs something, "all she has to do is call Trish and everything will be delivered on time and to where she wants it." Diana has high praise for the Canton Chair Rental guys that deliver and set up the tents and other equipment she orders. "They are wonderful and so easy to work with. They have set up so many events for us and they make sure everything is done right. When they have a question, they don't hesitate to call me to make sure everything is going to be done exactly right."

Canton Chair Rental values the excellent relationship it shares with Mt. Union College as it does with all of the respected colleges and universities in the area that turn to Canton Chair Rental for their planning expertise and first quality rental items.

The Great Outdoors

With the advent of longer days and warmer weather many organizations take advantage of the season and stage their corporate activities outdoors. A new product launch, sales promotion, even a dinner or reception can successfully be moved outdoors. Corporate anniversaries and open house events for both customers and employee families have become increasingly popular during the summer months. When you include a tent in the picture you can also create a locale with the exact amount of space you require along with the added flair and excitement that a tented event can create.

Planning a summer venture can be easier than you think. The experienced event consultants at Canton Chair Rental can calculate the exact size tent you will need for your event along with the tables, chairs and other equipment you require and then create a layout drawing with party CAD software. Call them today to discuss your upcoming projects and visit the Event Gallery page of their website: cantonchairrental.com, to see just what they can do for you!

Here are some helpful ideas to consider if you plan to host an outdoor event this summer incorporating items available from Canton Chair Rental.

- Draw attention to the occasion with colorful balloons, a dancing air man, dancing air tubes, or costumed characters. If your event is at night nothing will draw more attention than the dramatic air star balloon lighting up the locale.

- If you will be serving food you may choose to have the event catered. With a caterer you do not have to worry about preparation or cleanup. The wonderful thing about summer fare is that it can be very simple and if you choose to prepare the food yourself the prep work can be as easy as having grills, ovens and serving equipment delivered to your door and then picked up after the event.
- Projection screens, sound systems and podiums will add a higher level of professionalism to a sales promotion or seminar. Comfortable chairs for your guests are a must as are writing tables if they are going to take notes or write orders.

- You can never have too many beverages or too much ice. Whether your guests will be listening to a presentation or engaging in physical activity, they will work up a stronger thirst than they would in the other seasons. Be prepared with ice chests, coolers or chill tables filled with favorite beverages, bottled water and soft drinks.

- If you are having an employee picnic you may want to consider renting popcorn, cotton candy and sno-cone machines to make the event more festive. If there are going to be children at the event, carnival games and an inflated bounce castle will keep them entertained for hours. Adults will delight in the beverages produced in a margarita/slush machine and everyone will get a kick from the antics of the budding idols performing to the tunes of a karaoke machine. If you want background or dance music there is the Quebbie "DJ in a Box" music system that you can program in advance and it will play the music of your choice throughout the event.

Every Day Is Wash Day at Canton Chair Rental

Beautiful pristine linens and place settings can convert an ordinary event into an extra ordinary event. Canton Chair Rental prides itself on the extensive range of first quality table linens and dinnerware in its collection, and keeping each item in pristine condition is a responsibility the employees take very seriously.

The Dish and Linen Department at Canton Chair Rental is responsible for the inspection and processing of literally thousands of table top rental items. Every table cloth, napkin and chair cover is inspected, sorted, laundered and pressed in-house by an experienced staff. All china, stemware and flatware

pieces are washed and sanitized in high-tech, energy efficient cleaning units and then inspected to ensure a sparkling appearance. Once cleaned, the linens are placed on hangers and the place settings are crated then everything is wrapped, sealed and made ready for the next customer.

Every item that Canton Chair Rental rents – whether it's a tent or a teaspoon – is inspected and cleaned in house to help ensure the event you're staging will be something extra ordinary.

Sparkling Introduction

Make your head table stand out and draw attention with Canton Chair Rental's new lighted backdrops and table skirting.

The free standing backdrops of sheer ivory crystal organza are 8' tall and available in 10' wide sections. They feature elegant swaging and delicate electric mini lights. The coordinated skirting is also illuminated with miniature white lights and can be used on any size head table.

Together the backdrops and skirting are ideal for weddings, anniversaries and formal dinner parties. The backdrops alone are popular for fashion shows, trade shows and beauty pageants. You can see both items on display in the Canton Chair Rental showroom along with their full range of table linens and chair covers.
