## BOUNCE CASTLE WAIVER

**GENERAL INFORMATION:**

Thank you for choosing Canton Chair Rental to provide a bounce castle for your upcoming event. Canton Chair Rental is committed to the safety of our customers, your guests, your property and our employees.

With the increase in utilities being buried underground, the risk for personal injury and property damage becomes a concern with bounce castle installations. Ohio Law (3781.25-32 of the Ohio Revised Code) requires that anyone penetrating the surface of the earth must have the utilities marked on their property before they “dig.” Since Canton Chair Rental will be inserting stakes up to 42” in the ground to anchor the bounce castle, we will contact the Ohio Utilities Protection Service to mark any public underground utilities in the area where the bounce castle will be installed.
