Coffee Urns

Operating Tips:

1. Use only canned sterno fuel in the burner.
2. Fill the coffee urn with coffee before lighting canned sterno fuel.
3. To light canned sterno fuel, pry the lid from the canned sterno fuel, and place canned sterno fuel into metal sterno cup. Light fuel. Then adjust metal sterno cup lid to be approximately half open and put on top of canned sterno fuel.
4. Low flame is sufficient to maintain proper heat.
5. Keep sterno fuel away from open flame or hot stove.

To protect your table linens or serving surface, consider an under liner tray when using equipment that has burners.

Cleaning Instructions:

1. Rinse out inside of coffee urn. Never use harsh abrasives.
2. Discard used sterno fuel cans out. DO NOT THROW AWAY METAL STERNO CUP HOLDERS AND LIDS THAT CAME WITH THE URN, THEY NEED TO BE RETURNED TO CANTON CHAIR RENTAL.
3. Please return all parts supplied with the Coffee Urn to avoid additional charges.
